Thank you for Booking into the Riversway Festival 2012.

Points which we wish to point out to new participants.

There is NO pump out facility in the Dock but showers and Elsan facilities are available with a suitable key in the Marina building.

Boats requiring pump out should call at the Sparks Bridge facility on the Rufford Branch or Ashton Basin on the Lancaster canal.

If you have any other Queries prior to the festival do not hesitate to contact the Events Team.
